

## Unit 9 — Evaluation and Growth

### Activities, Exercises & Assignments

#### Reflection

- Why is continuous evaluation important for supervisors?
- How can feedback strengthen your skills?

#### Activities

1. Conduct a self-assessment of your strengths and weaknesses.
2. Ask a peer for feedback on your supervision style.
3. Case Study – Your facility experiences recurring safety issues. How do you evaluate and address them?

#### Assignment

- Develop a professional growth plan with 3 goals for the next year.
